### Gradebook Options

Load Defaults

It is possible to load the defaults configured by administration for the course level of which your class is a part. Load defaults will replace the current gradebook options with the defaults set in course level setup.

Calculation

The calculation method is usually determined by a school's historical practice. Note that, using the same earned grades, the different methods produce different results.

Method: Percent  
Time Frame: Term  
Decimals: 0
