## *Walking into God's Kingdom with His Children*

Every decision we make will be student-centered. Our job is to serve ALL of His kids.  
There will be young people, this school year, that will choose to live forever  
with a loving God in a perfect place because of what we do.

*I could have no greater joy, than to hear that my children are walking in the truth. 3 John 1:4*

### WHY

#### ◆ Together As One

Our schools were created to serve the mission of the church, spreading the good news of redemption. Every educator will be a co-minister with their local pastor for the gospel of Jesus Christ.

#### ◆ Every Child Deserves to Know Christ

Strategically planned and supported endowments, scholarships, and marketing will be pursued so that every child who desires to have an Adventist Education can.

### WHAT

#### ◆ The Oregon Goals

Schools will be instructed, supported, and assessed for these goals:

- ⇒ Christ-Centered Culture
- ⇒ Positive Choice & Restorative Relationships
- ⇒ Maximizing Individual Potential

### HOW

#### ◆ Effective Leadership

We will only hire Christ-dependent, student-centered, relational-based leaders who will be capable of pursuing greatness and will perform for the greater common good.

#### ◆ Professional Growth

The Professional Learning Team will reflect on the needs of our teachers, and will pursue the leading edge of current innovative and effective teaching practice to create a stronger community for the benefit of all students.

All teachers, despite their current status, will be evaluated annually through formative and summative assessments.

Every teacher will participate in a Professional Learning Community where they will develop collegial mentorships to intentionally maximize the success of every student.
